

About the plebiscite

2015-12-16

Within the plebiscite New 7 Wonders of the Poland, for a place on the podium was seeking 16 Nature 2000 areas of all Polish provinces. The idea behind the poll was to select the most interesting, beautiful and still poorly known natural places in Poland.

For more information about the poll, the nominated areas and all voting rules can be found on the webpage www.7cudow.national-geographic.pl
