The third meeting of the Cooperation Forum for the Natura 2000 network

On 16th September was the third meeting of the Forum for Cooperation for the Natura 2000 network at the headquarters of the General Directorate for Environmental Protection in Warsaw. General Directorate of Environmental Protection was represented by the Head of the Department of Projects and the National Network: "Partnership: Environment for Development" Agnieszka Zdanowska and project management team, including Coordinator Małgorzata Szalast-Piwińska and Project Specialist Dominika Sobieraj-Pilniewicz.

The meeting was attended by representatives of non-governmental organizations already operating in the Forum, representatives of newly admitted to membership and with the Mediator and his team.

Meeting was opened by the Head of the Department of Projects and the National Network: "Partnership: Environment for Development" by giving participants the call to participate in the Forum for Cooperation for the Natura 2000 network. Then the Mediator presented a plan to appoint Natural Working Groups, scheduled tasks in the field of mediation, action plans in the field. In the course of the discussion Forum members referred to the planned activities in the regions, in areas where organizations operate, and presented the position of their involvement.

The meeting ended declaration of cooperation and commitment of the Forum members in the Natural Working Groups and ongoing mediation.

Discover your Nature and participate in the Photo contest!

General Directorate of Environmental Protection with Polish Nature Photographers Association invites you to participate in a Photo contest for the most beautiful area of Nature 2000 in Poland. You can win up to 5.000 pln.

Nature 2000 network in Poland are covered nearly 1,000 areas known to be the most valuable in the whole of Europe. Find out where these extraordinary places are. Try to catch their beauty with the camera.

Photos can be submitted until 6 September 2013 at the e-mail address: konkurs@gdos.gov.pl

Photos should be in one of four categories:

- 1) Category I: "Man and Nature" - coexistence and interaction of man and nature in Nature 2000 areas, the incarnation of the idea of sustainable development, the importance of protecting and natural wealth for future generations;
- 2) Category II: "Faces of Nature" - photographs of landscapes, natural beauty and biodiversity in Nature 2000 areas;
- 3) Category III: "Beauty protected" - photographs of species of animals and birds protected under the Nature 2000 network;
- 4) Category IV: "Beauty of Nature" - photographs of the individual and innovative approach to the Nature 2000 network, as well as photographs of the systems and forms that occur naturally in the environment, macro photography and photographs from the air.

The contest supports Radio Zet journalist Beata Pawlikowska, which appreciate the beauty of Polish Nature.

The partners of the contest are:

- Polish Nature Photographers Association,
- Radio Zet,
- National Geographic Poland.

Polish wonders

The next edition of the "Seven new wonders of the Poland" plebiscite, organized by the National Geographic Traveler magazine has just began.

This year, for a place on the podium is seeking 16 Natura 2000 areas of all Polish provinces. Vote and decide which three of them will become on the "green" podium! The idea behind the poll is to select the most interesting, beautiful and still poorly known natural places in Poland.

In this year's third edition of the poll there's an additional category called - "Nature" in which will be selected the most beautiful areas of Nature 2000 in Poland. You can vote until 30 September 2013, by sending a text message (SMS). All participants will receive a voting guide to the areas nominated in the category "Nature". Current results of the voting will be announced in the "National Geographic Traveler" magazine and via internet - website www.nationalgeographic.pl.

For more information about the poll, the nominated areas and all voting rules can be found on the webpage www.7cudow.national-geographic.pl and in the "Contests".

We invite you to vote and choose the most beautiful areas of Nature 2000 in Poland!
